

Thank you for your interest in PaintAmerica's Art Scholarships. We believe in assisting high school seniors with the challenging costs of pursuing a visual arts education. Our scholarship amounts vary each year, as awards are made depending on investment interest in the Scholarship Fund. Scholarship payments will be addressed to the school of choice in the benefactor's name. The PaintAmerica Board of Directors reviews all applications, and all decisions are final.

Application deadline: November 30th, of each year

Awards will be announced February 15, of the following year.

Please fill out all blanks, as they are all **required**. Awards are based on the quality of artwork submitted, cumulative and major GPA, financial need, and special needs. Please feel free to include any additional support information, but we ask you **do not staple** anything directly to this form. No part of this application or contents will be returned.
